

The Classic Six are:

- Six-belted Clearwing *Bembecia ichneumoniformis* (**api**)
- Pennisetia hylaeiformis* (**hyl**)
- Orange-tailed Clearwing *Synanthedon andrenaeformis* (**and**)
- Red-belted Clearwing *Synanthedon myopaeformis* (**myo**)
- Currant Clearwing *Synanthedon tipuliformis* (**tip**)
- Yellow-legged Clearwing *Synanthedon vespiformis* (**ves**)

See the chart in **red** italics below to see which species these will attract.

Lures in **blue** which make up the set of ten and the individual lures in **black** are additional to the Classic Six
